Reaching Villages with the Message of Hope

Camp Agaiutim Nune Update

The Holy Spirit birthed Camp Agaiutim Nune (Camp AN) from the very beginning with the donation of property. God has continued to marvelously provide everything needed for the camp. Camp AN (through the power of the Holy Spirit) has ministered and continues to minister to hundreds of lives changed by the power of God and His Word.

Two years ago, the Assemblies of God National Girls Ministry came alongside Camp AN's desire to see a permanent structure on the premises. This "Tabernacle" would replace tents more than 25 years old being used for the kitchen, dining hall and chapel. The Girls Ministry raised \$200,000

which enabled us to purchase and ship the steel building, foundation material and the flooring. What was missing was the engineered floor trusses needed for the structure. The lowest bid was \$140,000 plus another \$32,500 for shipping to western Alaska. We have been trusting God for this need and will only order the trusses when the complete money is available. Construction would begin July, 2014 only as God provides financially for this need. Through gifts from individuals and churches the camp's building fund has \$48,000 on hand and is held in the Alaska Assemblies of God account from which all bills are paid and to which we give accounting for all expenses. God is miraculously meeting this need and our confidence is in Him that it will be met. If God is directing your heart to be a part of helping us reach western Alaska, send your gifts to: Alaska Assemblies of God, 1048 W. International Airport Rd. #101, Anchorage, AK 99518, marked for Camp AN Building Project-account # 3004008. Please keep the camp, its ministry, the campers and the project in prayer.

Live WebCasting

We have continued to strategically partner with hub village churches equipping them to provide live streaming of their weekly services and special events. The target of each location is to "Reach your Region" with the Good News. We have a great task ahead in order to advance the Kingdom of God into each household in Alaska. Live Statewide events we have provided support for include: Network Conference, Youth Conference, Regional Events, Statewide Training, Statewide Prayer Emphasis, Monthly AKSOM courses, Alaska Governors Prayer Breakfast, other relevant Conferences and Training.

I'm excited to announce that we are currently in discussions with other ministries located in other states and countries to provide support for live streaming of weekly services, special events and Pastoral training. Please let us know if you would like more info on how to access our resources for live streaming. We would be glad to help in any way possible "that I (we) may by all means save some". (1Cor 9:22)

Favor of God

Last July in Emmonak, I had an experience I want to share with you. Each year we go to a local business to rent a crane in order to launch the Hallelujah boat into the Yukon river. In past years we have had to wait several days to get this done. For instance, one time we had to wait a week. This year when I drove up to the building on the 4-wheeler, I noticed the manager walking over to employees. When I got closer to hear their conversation he was telling the employees, "we are going to launch the Hallelujah boat for these guys today". Thankfully, we had a couple of experienced workers already preparing the boat to be launched. You can imagine their surprise when I came back just ahead of the crane and explained we are getting it launched now. The Bible explains that ... **Jesus grew in wisdom and stature, and in favor with God and man.** (Luke 2:52 NIV) We have experienced the Favor of God poured out on us in Western Alaska. HE can and will move the hearts of man on our behalf. I'm praying that each of you would experience more **Favor of God and Man** this next year!

Our Newest Addition

We are proud to announce the birth of our 5th grandchild born on November 7, 2013. Lily arrived at 11:30 am weighing 7lbs 7oz. She is the 5th child born to our daughter Dana and son-in-law DJ. Lily is the center of attention with her four siblings Kylie, Kirsten, Jaden and Judah.
